Old versions Pro Evolution Soccer 2016 Pro Evolution Soccer 2016 (PES 2016 for short) is the 16th version of the Pro Evolution Soccer series. PES 2016 is set for release on the Xbox One, PlayStation 4 and PC on 25 October 2015 in the Americas, and on 28 October 2015 in Europe (2:00 a.m. UTC) with downloadable content, and on the Xbox 360 and PlayStation 3 on 17 November 2015. PES 2016 is the first version of Pro Evolution Soccer to be released on the new generation of consoles, as well as being the first version to be released on Xbox 360 and PlayStation 3. It is the last major addition for the Xbox 360, PlayStation 3, and PlayStation 4 and the first major addition for the Xbox One, and as such was the most expensive game in the Pro Evolution Soccer series up until its release. It is the first Pro Evolution Soccer game to feature the header-kick effect. It is also the first installment to feature a 'Universal Match Mode', allowing you to create your own customised matches with a friend. Like its previous installment, PES 2016 features innovative and dynamic gameplay. In addition to its off-the-ball-action, PES 2016 also offers football fans the

ability to shoot direct-free kicks. This feature allows players to shoot high-powered long-range free kicks with their body, creating an entirely new dimension of aerial play. Pro Evolution Soccer 2016 is also the first installment of the series to have a dedicated female football player called Nancy Dufe. She is featured on the cover and in the in-game character intro. Being the last major installment of the Pro Evolution Soccer series for the Xbox 360 and PlayStation 3, the European release is essentially a version of the North American release. Differences between them are mostly technical fixes for the Xbox 360 version, such as the "FIFA 16" mode, which requires a
